

# SOLIS Vac Prestige Maxi

Type 5706

Powerful, extra-large vacuum sealer equipped with a roll compartment, foil cutter, ingenious Pulse Vacuum function and more. It is suitable for preserving food of large size, even on the go, keeping it fresh up to 8x longer.

## Made for all food textures

Dry or moist, hard or soft and pressure-sensitive food; this advanced vacuum machine is equipped to handle it all.

## Extra-large

Suitable for extra-large rolls and bags up to a width of 40 cm to even vacuum-seal food of large size.

## Variable use: stationary or mobile

On-the-go vacuum sealing by power supply from car cigarette lighter and a USB socket for charging of mobile devices.

## Single, double or triple weld seam

Select the weld seam (2.5 mm) with a single, double or extra-strong triple seal to reliably prevent the bag from leaking.

## Automatic touch lock

The automatic lock mechanism of the lid allows you to close the appliance effortlessly with just a light touch.

## Pulse Vacuum function

Simply vacuum-seal even the most delicate food by using the special Pulse Vacuum function.
