

# SOLIS AirVolution

Type 3804

Extremely lightweight yet powerful: this hairdryer is equipped with a display and innovative technology. It is also perfect as a travel hairdryer.

# Solis

## Light as a feather

The hairdryer weighs just 325 g and thus prevents premature exhaustion.

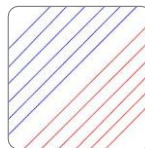

## Memory function

Save your favourite setting so that you can start immediately when you switch on the hair dryer.

## High drying performance

With up to 110,000 revolutions/minute, a strong air flow is generated with a speed of up to 66 m/s.

## Anti-split-ends-programme

The automatically alternating hot-cold programme is also gentle on your hair and protects it from heat damage and split ends.

## 4 programmes

Choose between the preset programmes JUNIOR, NATURAL, CARE or FAST DRY to vary the air volume or heat.

## Automatic cleaning

After 40 hours of operation, a reminder appears to activate the self-cleaning programme.

## Features

- + Temperature from 45 °C to 75 °C
- + Key lock (e.g. for children)
- + Magnetic air filter cover
- + Cold shot function
- + Ion technology
- + TFT LCD display
- + Brushless motor: quiet operation and long service life
- + Incl. 2 undulating nozzles and 1 softstyler
