

# SOLIS HAIR PERFECTION

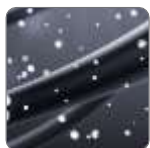

Extremely lightweight hair dryer with ion technology and high speed motor.

Type 3805

SINCE 1908

Solis

## High-performance negative ion generator

The integrated ion generator dries your hair faster, giving you wonderfully smooth and shiny results.

## Self cleaning function

Easy activation that effectively removes dust and dirt for a hassle-free experience.

## 3 speed settings with bright LEDs

Enables flexible adjustment of the speed to different styling requirements and ensures that the correct setting is selected thanks to the LEDs.

## High speed BLDC motor

Makes the Hair Perfection light, handy, quiet and durable whilst achieving superior performance by generating air at a speed of up to 36 m/s per second.

## 3 heat settings with bright LEDs

Allows flexible adjustment of the temperature to different hair types and ensures that the correct setting has been selected thanks to the LEDs.

## Cool air button

For gentle styling that locks the hairstyle in place.

## Features

- + Professional high speed motor (110,000 RPM)
- + Extremely lightweight
- + Low noise (<78 dB)
- + Incl. magnetic styling nozzle (\* soft styler available as accessory)
