

SOLIS Air Fry & Dry XL

Quick and healthy meals with effortless cooking at your fingertips.

Type 8200

Powerful 3D air circulation

Lets you create quick, healthy and crispy dishes without the addition of oil or fat.

10 different programmes

Fancy some fries, chicken wings or dried apple rings? You can quickly find the perfect settings for your favourite dish.

Easy Cleaning

The grid and basket can be cleaned quickly and easily after each use.

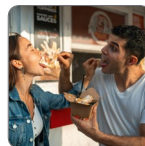

Large viewing window with lighting

Allows you to monitor the cooking process at any time without having to open the basket.

Large intuitive colour touch display

Manual controls for the temperature (40 °C – 230 °C) and time (1 – 60 minutes).

Perfect for social meals

7.5 litre volume for up to 1.5 kg of fries.
